

## Employers

### Would you like to:

- Decrease Health Care Costs
- Reduce Employee Absenteeism
- Reduce Employee Turnover
- Improve Employee Productivity
- Improve Employee Morale
- Lower Stress Levels

We would like to share some new and exciting information concerning the health and fitness of your employees. Studies suggest that companies can save thousands of dollars simply by investing in their employees' health. By maintaining good physical health, your employees are better able to serve you and your company. Many corporations encourage employee fitness by offering to pay either a portion or all of a fitness membership as part of their benefits package.

Curves specializes in the 30-minute total body workout in a comfortable, friendly environment. Through the Curves workout, women are able to strengthen and tone muscles while improving their cardiovascular health. Curves has been recognized by *Entrepreneur Magazine* (January 2003 issue) as the #1 fitness franchise.

Listed below you will find information, for a limited time only, on special corporate rates. At your local Curves we have a professional staff committed to helping your female employees reach their fitness goals. Thank you for your interest and we look forward to working with you on your corporate fitness program.
